Construction on **5631 Dorothy Circle** is moving along beautifully, and the interior of this **Brady Quick Delivery Home** is starting to show its personality. Walls are freshly painted, flooring is going in, and cabinetry and trim work are being installed, giving the home its first real sense of style and warmth.

The **Brady floorplan** offers a timeless layout perfect for modern living and entertaining. The two-story foyer with its elegant L-shaped staircase leads into spacious formal living and dining rooms, while the rear of the main level flows naturally into the open great room and kitchen. This thoughtful layout makes everyday life comfortable and hosting friends and family a joy.

Upstairs, the generous primary suite, additional bedrooms, bathrooms, and laundry room are all taking shape. With each detail coming together, **5631 Dorothy Circle** is transforming from a house under construction into a home ready to welcome its first family, and the finish line is just ahead.
