Plan: The Crestwood

 2,905+ Sq. Ft.

 4 Bedrooms

 2.5 Bathrooms

Step into **The Crestwood**, a stunning **4-bedroom, nearly 3,000 sq. ft. home** that blends timeless architecture with modern flexibility. Designed with exceptional craftsmanship, this two-story home invites you to personalize every detail, from the exterior finishes to the interior spaces that reflect your lifestyle.

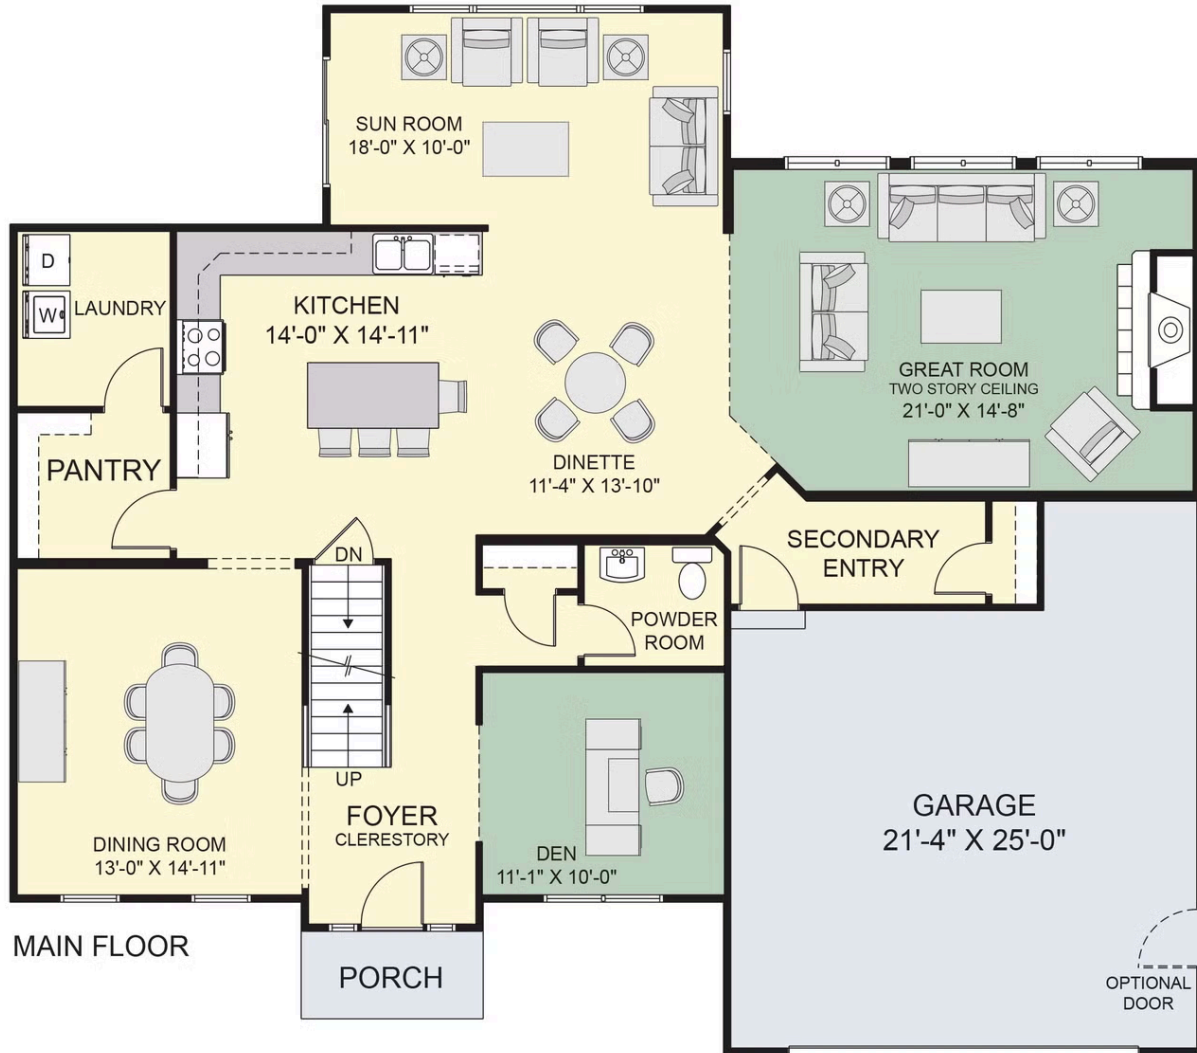

The **open-concept main level** seamlessly connects the **kitchen, dining, and living areas**, creating a bright and airy space perfect for entertaining or everyday living. Expansive windows flood the home with natural light, enhancing the inviting atmosphere. A **formal dining room** provides an elegant setting for gatherings, while the **owner's choice room** off the foyer offers endless possibilities—home office, fitness studio, playroom, or a cozy retreat.

Upstairs, **privacy and comfort** take center stage. Thoughtfully designed, the **four bedrooms** are positioned to offer separation, ensuring a peaceful retreat for everyone. The **primary suite** is a true sanctuary, featuring a **spacious walk-in closet, dressing area, and a spa-like ensuite bath**. Three additional bedrooms share a well-appointed full bath, delivering both convenience and style.

With **The Crestwood**, you have the freedom to create a home that perfectly fits your needs—where timeless design meets modern living.
