Progress continues inside **5676 Dorothy Circle**, and this **Crestwood Quick Delivery Home** in Clarence is beginning to show what makes this design special. Walls are being painted, flooring is going in, and cabinetry and trim work are being installed – all adding warmth, light, and definition to the home's interior spaces.

The Crestwood floorplan blends nearly **3,000 sq ft** of thoughtful living space with an open layout that brings the great room, kitchen, and dining room together in one seamless flow, perfect for everyday living and entertaining alike. A large formal dining room and a flex room off the foyer are starting to take shape, offering versatile space for a home office, hobby room, or play area.

Upstairs, the four bedrooms – including a spacious primary suite with a private bath retreat and walk-in closet – are beginning to come together, with bedrooms thoughtfully spaced for privacy. With each detail progressing, **5676 Dorothy Circle** is turning into a place full of promise, and the finish line is within sight.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
