 4 Bedrooms

 2.5 Bathrooms

The journey has begun at **5502 William St.** in beautiful Fieldstream Estates! This home is currently in the early stages of construction, with the foundation and framing underway and the silhouette of the **Dorchester floorplan** already visible. It's an exciting moment where potential turns into structure and you can start to picture the rooms that will soon become part of daily life.

The Dorchester offers a smart, functional layout with generous living areas, an open great room, and spaces that flow naturally from one to the next. At this stage, you can imagine where the kitchen will anchor gatherings with family and friends, where light will fill the great room, and how this well-designed plan will support both everyday moments and special occasions.

Early construction is the perfect time to follow along and dream about what's ahead. As each milestone is reached, **5502 William St.** moves one step closer to becoming a beautiful, finished home – ready to welcome its first family.
